

Top Tips For Researching Homework

Step 1) Find between 5-10 websites you think might be useful. You could Google search for these— I would recommend putting 'for children' after your search words e.g. Remembrance Day **for children**

Step 2) Look through the websites and choose your favourite **3**—these should have a variety of information and pictures to help you with your homework.

Step 3) Open a word document and then copy and paste the information you need into this document.

Underline or highlight the key information—you could then use these as quotes OR re-write them in your own words.

What is Remembrance Day?

The second Sunday of November is Remembrance Sunday, also known as Remembrance Day.

At 11am men, women and children all across Britain hold a two minute silence to remember the millions who have died in war.

The silence is usually observed at war memorials, cenotaphs and religious services and shopping centres throughout the country.

The Royal Family, along with top politicians and religious leaders, gather at The Cenotaph in Whitehall, London for a service.

Step 4) Rewrite your findings in your OWN words OR use QUOTES....

Remembrance Day is sometimes known as Remembrance Sunday as it is held on the second Sunday in November. This day has been made sacred by people all over the world and mark it by holding a 2 minute silence at the 11th hour.
